

**WE COAT
THE ALTERNATE
WAY**

WE MAKE THE CHANGE FOR THE BETTER

ALLTER[®]
BLUE IS NEW

How do you bring together the best, most experienced anti-corrosion experts from all over the world into a single team? How do you turn our dream into reality and offer the planet a new, future-proof concept for better, sustainable protection against the consequences of corrosion? A shared, unifying mission and vision have made this dream a reality. The time has come to change how we protect durable assets. **Allter[®] We coat the world with an alternative solution.**
